TRUFORM ENGINEERS

Patented "TruForm" design corresponds to the "true shape" of the drum plus its mounting hardware. This universal teardrop design allows a much snugger fit.

DYNAZIP

Patented "DynaZip" Zipping system makes it easier to take the drums in and out of the cases -combining an ingenious cutaway design with a zipper that travels along the diameter of the case as well as down both sides of the cutout.

DX-CORE

DX-Core provides the stiffness of three layers of high-impact foam padding, the softness of premium-grade Sherpa Fleece lining. Plus water-proof 600 denier-polyester fabric exterior.
